**Joanie Christie, Sublette Chamber of Commerce director**

**David Shaw, Sublette School Dist #1 Special Services Director**

**Emmy Daniels, Hope+Choice Sublette Director**

**Sarah Murdock, Food Basket, Faith Community, Sublette Bridges**

**Peggy Weber, Pinedale Visitor Center, Recovery Community**

**Robin Carnes, Nurse, Public Health**

**Jared Rogerson, Musician and community member**

**Trisha Scott, coalition coordinator**

**Notes:**

Jared Rogerson is interested in applying to the Wyoming Arts Council for a grant to produce a music video on addiction and decreasing stigma related to addiction with the message "It can happen to anyone". The grant must show that he is working with local groups in his community. Discussion of how to collaborate with Jared: Video could be used in all QPR training; promote the Community MH fund; use in schools; use at clinics to promote non-narcotic pain meds; to promote understanding of how addiction happens in the brain. Could be used in campaigns to promote non narcotic pain management. Could be accessed on our website and shared state wide. Jared wants to deliver the message that "that could be me". Jared will visit local AA and NA groups and get back with us when he has a plan to discuss future collaboration. Group members informed Jared about the MH fund and how it is funded, used, and accessed.

**Task Force reports and discussion:**

**Alcohol:** Robin shared the Alcohol Task Force proposals for the next grant cycle:

- Continue current social and print media counter marketing campaign. Use local impaired driving data, and harm reduction messages. Share/collaborate on media with SO.
- Expand media to focus more on underage drinking with /safety planning message.
- Continue TIPs training - with 4 trainings a year, one per season. Budget for trainer recertification, possibly 1 more SO trainer; provide food for trainings, upgrade ID checking guides. Reimburse servers for TIPS online certification if they can't get to live trainings.
- **Provide event toolkit** to towns for town alcohol permits. House the toolkit at the Town of Pinedale and Marbleton Big Piney town halls for pick up from permittees. Provide wristbands, ID scanners, beer cups, designated driver schwag. Provide/collaborate on water station at town events

- Continue to support and save funding for providing Sources of Strength as EBP for schools for UD prevention.

Tobacco: Quit group in progress at High Country. Smokefree campaign closing with promoting Mallards Bar and Grill.
